

Open position: Research Assistant for Lab Work

The Platform for Eco-Metabolomics (EcoMetEoR), a support unit of the German Centre for Integrative Biodiversity Research (iDiv) is looking for a new research assistant.

We are looking for a student, beginning now:

- ...subjects Biology, Biochemistry or Chemistry (BSc, MA)
- ...basic lab skills required
- ...with a responsible and independent way of working

Your **range of tasks** will be:

- Preparation of samples for mass spectrometry analysis
- Extractions from plant material
- Isolation of Secondary Metabolites
- Methodology development

We´re offering:

- A contract until at least the end of the year (20h/month or 30h/month)
- Flexible working hours
- Experience of working in a research lab
- introduction into handling mass spectrometers and High-performance Liquid Chromatography (HPLC)
- A very cooperative work environment

Are you interested?

Magnificent! Please send you´re CV and a short personal letter to henriette.uthe@idiv.de
